**SUMMARY OF REVISIONS**

This supplement rennumbers and updates all paragraphs to correspond to the basic manual. A bar (|) indicates revision from the previous edition.

**AFMAN 23-110, Volume 2, Part 2, Chapter 9, is supplemented as follows:**

9.14. The 374th Logistics Readiness Squadron Customer Support Section (374 LRS/LGRSC) will process Defense Reutilization and Marketing Office (DRMO) withdrawals.

9.18.2. The Resource Manager will use the Budget Code Z Listing (L05) and Major Appropriation Funded Investment Materiel Acquisition Control Record (MACR) Status List (M07) report to monitor all budget code Z items. The L05 will be generated weekly and the M07 will be generated monthly. Local funds management will monitor and file both listings in 374 LRS Resource Management Section (374 LRS/LGRSR).

9.32.1. The 374 LRS Materiel Section Flight Service Center (FSC) (374 LRS/LGRDMF) will be responsible for local manufacture processing. Refer to 374 AWI 23-201, *Local Manufacture Procedures*.

9.60.2. For requisition override record additions or deletions, send requests to 374 LRS Procedures and Accountability Section (374 LRS/LGRSP). Include requisition exception code (REX) override code, exception notice code (ENC), project name, and applicable data to be overridden. Exception phrase record procedures are in AFMAN 23-110, Volume 2, Part 2, Chapter 27, *Research and Records Maintenance*, Section 27R.

9.74. 374 LRS Customer Service Section Stock Control Function (374 LRS/LGRSC) will process the Priority Requirements Action List (R01) weekly for local purchase and special requirements.

9.124. 374 LRS/LGRSC will process all tracer action required (TAR) documentation.

9.144.3. (Added) The outgoing control number on supply discrepancy report (SDR) for the 374 LRS Materiel Section Storage and Issue Element (374 LRS/LGRDMS) will be followed by “-I” and 374 LRS Materiel Section Cargo Movements Element Inbound Section (374 LRS/LGRDCI) will be followed by “-R.”
